

## **Bargaining Bulletin # 7**

### **CEP AND EXPERTECH NEGOTIATIONS**

January 18, 2007

On January 11<sup>th</sup>, Expertech tabled final offers to your Bargaining Committee for both Craft & Services and Associates. The Union has tried to improve those offers from the Company without success.

The Bargaining Committees have respectively decided to bring these final offers back to the membership for a vote by Craft & Services and a vote by Associates.

The Bargaining Committees are recommending that these offers be rejected in that concessions continue to be part of the Employer's offer.

Vote meetings will be set up across Ontario and Quebec beginning on January 29<sup>th</sup>. The ballots will be counted in Montreal on Monday February 19, 2007.
