Subject: **Review Process for Disability Cases**

Dear Mr. Nunn,

This is to confirm our understanding reached during bargaining for the renewal of the Craft and Services Employees' Collective Agreement related to a review process for disability cases.

The parties want to address situations where benefits are denied or suspended further to a difference of opinion between the employee's treating physician and the physician designated by the Company.

As such, the Company and the Union will establish a Review Committee that will include a representative of Labour Relations for Ontario or Québec, a representative of the Disability Management Group and a Unifor National Representative for Ontario or Québec. With the written permission of the employee, the Committee will review the employee's disability claim and determine which steps could be taken to try to resolve the issue relative to the employee's return to work date. The employee concerned may be present and be heard during the Committee meeting, if the employee so chooses. It is understood that the employee must have provided all the appropriate information to the benefits administrator in order to be eligible for a hearing by the aforementioned committee.

A meeting of the Committee can be requested by the Company or the Union upon written notice sent to a representative of Labour Relations for Ontario or Québec or to a Unifor National Representative for Ontario or Québec. The meeting must be held no later than ten (10) working days from the date of the receipt of the notice, unless the parties agree otherwise in writing. In any event, the parties will make every effort to meet prior to the employee's return to work date. The meetings of the Committee can be held via conference call or by any other means the parties agree to.

The Committee's role is to ensure that everything has been done in order to reach a just and equitable settlement for the employee. Policies and practices relative to the disability plans continue to apply.

EXHIBIT 6-0

If the Committee is unable to reach resolution of the employee's claim, the union may refer the matter to an adjudicator for final and binding resolution. The parties further agree as follows:

- The parties shall endeavour to jointly retain the same adjudicator for all referrals;
- Representation shall not be by legal counsel;
- The adjudicator will only review the record previously submitted to the committee and a brief statement of position from the union and the company;
- The adjudicator shall not hold a hearing, however he may convene a teleconference or videoconference call of the parties in order to ask relevant medical questions;
- The adjudicator may order a remedy that is provided for within the policy;
- The adjudicator shall endeavour to render a decision as soon as possible given circumstances of the claim.

Whereas this Memorandum of Agreement applies to all Regular employees hired, rehired, reclassified to a Regular status or placed into the bargaining unit on or after ***the date of ratification of this Collective Agreement***;

Whereas the parties recognize and accept that the Company's ability to manage its workforce is an essential element to the success of the Company and that this is part of its management rights;

Whereas the parties recognize and accept that the Company has complete discretion to determine when reduction in the number of Regular employees is advised;

Notwithstanding the provisions of Article 11, Article 16 and subsection 27.05 (b) of the Collective Agreement, the parties have agreed as follows:

Force Adjustment

1. When any condition arises which reduces the work load to the extent that, in the Company's opinion, force adjustment is warranted, the following shall apply:

4. A Regular employee identified as surplus may elect to accept:
 - (a) lay-off with recall rights and lay-off allowance for a period of up to 52 weeks in accordance with the provisions of paragraphs 6 to 16 inclusive of this Memorandum of Agreement, on the condition that the employee has one (1) or more completed years of net credited service;

8. (a) The lay-off allowance plan becomes operative at the time the employee applies and qualifies for Employment Insurance benefits and upon receipt of proof that he receives such benefits.

(b) Each week's benefit shall be equivalent to 90% of the employee's basic rate of pay on the date of the lay-off in the case of a Regular Full-Time employee, and to 90% of the average basic rate of pay in the four pay periods preceding the date of the lay-off in the case of a Regular Part-Time employee, less Employment Insurance benefits entitlement, any earnings from other employment and statutory deductions and, subject to the maximum weekly earnings provided for under the Employment Insurance Act and Regulations.
9. Entitlement to the lay-off allowance and the recall procedure as described in paragraphs 12 to 16 of the Memorandum of Agreement will cease as follows:
 - (a) when the lay-off allowance entitlement is used up, or;
 - (b) when the employee reports for work subsequent to recall, or;
 - (c) when the employee fails to report for work after recall, or;
 - (d) when the employee has not been recalled to work within 52 weeks of the date of lay-off, or;
 - (e) when the employee is disentitled or disqualified from Employment Insurance benefits, or;
 - (f) when the employee obtains other employment, or;
 - (g) if the employee resigns.
10. An employee who has been recalled following a period of lay-off and is again laid-off prior to completing 52 weeks of continuous service after the date of return to work shall be granted a lay-off allowance pursuant to paragraph 6 of this Memorandum of Agreement based on his overall net credited service after deducting the lay-off allowance he received during his previous lay-off.
11. The Company agrees to treat the first 30 days of a lay-off as a leave of absence and to maintain the eligibility of a laid-off employee during that period to:
 - (a) credit for service;
 - (b) participation in the Comprehensive Medical Expense, Vision Care and Dental Plans;
 - (c) participation in the optional life and accident insurance plans, providing the employee prepays the applicable premiums prior to the commencement of a lay-off.

Recall Procedure

12. (a) A Regular employee identified as surplus and electing to accept a lay-off with recall rights and lay-off allowance for a period of up to 52 weeks pursuant to paragraphs 4 (a) of this Memorandum of Agreement shall be listed on a recall list within the affected district and headquarters.

(b) Notwithstanding the provisions of Article 24 of the Collective Agreement, where a job posting is to be made within the affected district and headquarters and a recall is warranted, eligible qualified employees, as determined by the Company, shall be recalled in inverse order of lay-off provided they are immediately able to perform the work available.

(c) When an employee accepts a recall, he shall not be eligible to travel time and expenses as provided under Article 23 of the Collective Agreement.
13. It is the responsibility of a laid-off employee who desires to be recalled to keep the Company informed of his correct home and email addresses, and to advise the Company within ten (10) days of the date of recall as to his acceptance.
14. The Company may assume that failure on the part of any laid-off employee to notify the Company within ten (10) days of the date of the offer of recall concerning his acceptance of the offer, or to report for duty within 15 days from the date of the offer or such other date as mutually agreed upon by the employee and the Company, shall constitute a rejection and the employee shall be deemed to have resigned.
15. The date of mailing of a registered letter to the employee's last address as shown on Company record shall be the date of offer of recall.
16. (a) A laid-off employee who has not been recalled to work within 52 weeks of the date he was laid-off shall be deemed terminated from the employ of the Company.

(b) In the determination of the period of lay-off in paragraph 6 of this Memorandum of Agreement, an employee who has been recalled following a period of lay-off and is again laid-off prior to completing 52 weeks of continuous service after the date of return to work shall not be considered to have interrupted the continuity of the lay-off, however, the period of re-employment shall not be included as forming part of the period of lay-off. It is understood that, until he has completed 52 weeks of continuous service after the date of return to work, a recalled employee is subject to direct lay-off and shall not have access to a separation package set out in paragraphs 4 (b) of this Memorandum of Agreement.

Information Lists

17. The Company agrees to provide the Union with lists of laid-off employees by position within an occupation in a seniority unit and headquarters indicating, for each employee, the date of lay-off, the net credited service date, and his original reporting centre.

Displacement Procedure

19. (a) A Regular employee identified as surplus and who elects to displace pursuant to paragraph 4 (c) of this Memorandum of Agreement may attempt to displace the most junior Regular employee of the affected family and district and headquarters provided he, according to the Company, is qualified to perform the required work within such period of time as may be reasonably required, but in any event not more than fourteen (14) days refresher training, in the following order:
- (i) By displacing the most junior employee in the same occupation in the same family and district and headquarters, or;
 - (ii) By displacing the most junior employee in another occupation in the same family and district and headquarters.
- (b) When a displacement occurs following the application of paragraph 19 (a) of this Memorandum of Agreement, the displacing employee shall assume the status and working conditions of the displaced employee and shall not be eligible to travel time and expenses as provided under Article 23 of the Collective Agreement.
20. A Regular employee identified as surplus who is unsuccessful in displacing a more junior Regular employee pursuant to paragraph 19 of this Memorandum of Agreement must select one of the remaining options outlined in paragraphs 4 (a) or (b).
21. A displaced employee following the application of paragraph 19 of this Memorandum of Agreement shall become surplus and must select one of the options outlined in paragraphs 4 (a), (b) or (c).

TARGETED RETIREMENT INCENTIVE OFFERS
MEMORANDUM OF AGREEMENT BETWEEN
BELL CANADA
AND
UNIFOR
REPRESENTING CRAFT AND SERVICES EMPLOYEES

WHEREAS the Company agrees to modify the Memorandum of Agreement “Force Adjustment” to cease to apply to “*Regular employees hired, re-hired, reclassified to a Regular status or placed into the bargaining on or before the date of ratification of this Collective Agreement*” (Protected Employees) effective at the date of ratification of the current Collective Agreement;

WHEREAS the parties recognize and accept that the Protected Employees will keep the same titles as identified in Attachment A of the Collective Agreement under Schedule A, B or C and will remain subject to all conditions of Wage Schedules A, B or C outlined in the Collective agreement;

WHEREAS several grievances (national, local and individual) relating to the classification of certain Protected Employees are currently in progress, which relate to the appropriate classification (A, B or C) to be given to these Protected Employees and compliance with the Memorandum of Agreement “Position Advisory Committee” ;

WHEREAS nothing in this document can be interpreted as a waiver of the grievances already in progress at the time of the signing of this Memorandum of Agreement;

WHEREAS in consideration of the Union’s request to extend job protection to all employees in the bargaining unit, the Company agrees to protect all Regular employees hired, re-hired, reclassified to a Regular status or placed into the bargaining unit on or before the date of ratification of this Collective Agreement. In return, the Union agrees that the Company will proceed with allowing up to 300 technicians to retire through Targeted Retirement Incentive Offers (Targeted RIOs). The parties acknowledge that it is possible some of the 300 Targeted RIOs may have to be utilized in years beyond this Collective agreement period.

The parties have reached an agreement as follows:

1. When any condition arises which reduces the workload to the extent that, in the Company’s opinion, force adjustment is warranted, the Company will proceed with Targeted RIOs to adjust its workforce.
2. The Company shall notify the Union ten (10) days prior to presenting Targeted RIOs and will share the list of functional groups by district and headquarters, as well as the number of required reductions.
3. The Company will present Targeted RIOs to Craft and Services retirement eligible employees in functional groups by district, within the selected headquarter identified by the Company, with seniority being the guiding factor.

4. To qualify for Targeted RIOs, an employee must be at least 55 years old at the date force adjustment is required. Targeted RIOs are voluntary.
5. The Targeted RIO for an employee eligible for retirement is payable within 30 days of retirement.
6. All Targeted RIOs will be sent at the same time to eligible employees. Eligible employees will have thirty (30) days to submit their completed Targeted RIO application form. An employee who fails to respond within thirty (30) days, shall be deemed to have rejected the Targeted RIO.
7. Once the Company has received the Targeted RIO application forms, the Company will review the number of applicants and compare it to the number of reductions required.
8. The Company will have up to twenty-one (21) days to inform the employees if they have been granted the Targeted RIO. Selected employees will retire from the Company on the last day of the following month or at a later date decided by the Company, based on business needs.
9. The most senior applicants up to the number of required reductions will retire. In no case will there be more departures than the number of reductions required.
10. The Collective Agreement will apply if there are less applicants than the number of reductions required.

Working principles of the 300 retirements

11. The Company may proceed with allowing up to 300 technicians to retire through Targeted RIOs.
12. The Targeted RIO process will begin only after the general RIO selection process has been completed.
13. The company has made it clear during the bargaining process that protection under the Force Adjustment MOA for those hired, re-hired, reclassified to a Regular status or placed into the bargaining unit on or before the date of ratification of this Collective Agreement was in exchange of 300 Targeted RIOs. The company will have the right to continue offering Targeted RIOs for as long as it takes to utilize the 300 Targeted RIOs.
14. The Company agrees that it will not introduce a request for any additional targeted RIOs in the next round of negotiations should any of the 300 Targeted RIOs remain unused.
15. It is clearly understood by the parties that the modification made to the Force Adjustment MOA will become permanent upon ratification of this Agreement, and the Protected Employees will have the same job security as employees who were Regular on November 30, 2012.

16. It is intended and irrevocably agreed by the parties that this Memorandum of Agreement shall remain in effect and shall be automatically renewed in any subsequent rounds of collective bargaining without any changes until the 300 Targeted RIOs have been utilized.

Remaining or unused Retirements

17. The Company will have until September 30th, 2024, to notify the Union of the number of Targeted RIOs which remain unused, and which will be allocated beyond the expiration date of the current collective agreement.

18. The Company will provide information on unused Targeted RIOs and plans to present Targeted RIOs by functional groups and district and headquarters during Joint Labour Relations Committee meetings.

19. In any case, Targeted RIOs initiatives will be communicated to the Union’s bargaining committee at least ten (10) days prior to presenting them to employees.

General

20. Any disagreement under the terms of this Memorandum of Agreement may be brought to the Joint Labour Relations Committee for discussion.
