Bereavement - Balbir Singh

It is with great sadness we must share with you the passing of Balbir Singh, technician from INOC. Balbir passed away this Friday and his funeral was today in Brampton. Balbir was 40 years young and we share our love, thoughts, prayers and condolences with his wife and three children. Balbir took great pride in his work and family. He will be missed.

Local 25 will be making a \$500 donation to the family to assist. Two months ago the family just had their third child and any help would be appreciated.
